

# MAKE YOUR OWN PALM LEAVES!

Read the story of Jesus in John 12:12-13. The people were so excited when Jesus came through their town, they brought out palm leaves and praised Him loudly. You, too, can make your own palm leaf and praise the Lord!

## WHAT YOU WILL NEED:

- Large sheets of green construction paper
- Child-safe scissors
- Crayons or markers

## INSTRUCTIONS:

- Using scissors, cut a long, oval shaped leaf out of construction paper.
- Fold the leaf in half, and make small cuts along the edges. See example.
- Use crayons or markers to write "Hosanna" on the leaf.
- Then play worship music and praise the Lord with your palm leaves!
