INDEPENDENT AUDITORS' REPORT

Board of Directors
Joni and Friends
Agoura Hills, California

We have audited the accompanying combined financial statements of Joni and Friends, which comprise the combined statements of financial position as of December 31, 2015 and 2014, and the related combined statements of activities and cash flows for the years then ended, and the related notes to the combined financial statements.

Management's Responsibility for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Joni and Friends
Agoura Hills, California

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Joni and Friends as of December 31, 2015 and 2014, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Prior Period Adjustments

During the year ended December 31, 2015, Joni and Friends made a prior period adjustment of \$160,645 to correct net assets that were incorrectly classified as unrestricted at December 31, 2014. The adjustment related to funds received with donor restrictions to hold the principal in perpetuity that were incorrectly recorded as unrestricted contributions.

During the year ended December 31, 2015, Joni and Friends also made a prior period adjustment to correct tuition revenue totaling \$1,632,638 that was incorrectly classified as temporarily restricted contributions during the year ended December 31, 2014. Accordingly, the 2014 combined financial statements were adjusted for these errors as further described in note 10. Our opinion is not modified with respect to these matters.

Notes to Combined Financial Statements

December 31, 2015 and 2014

1. NATURE OF ORGANIZATION:

Joni and Friends (JAF) was incorporated in 1979 in California as a not-for-profit corporation exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code). It is also exempt from California state income taxes under Section 23701d of the California Revenue and Taxation Code. JAF has been classified as a publicly supported organization, which is not a private foundation, under Section 509(a) of the Code. Contributions by the public are deductible for income tax purposes.

JAF is a religious organization dedicated to accelerating Christian ministry in the disability community. Field and service programs promote a Biblical response toward disabilities, assisting individuals and churches through evangelism, training, encouragement, and practical service.

In April 2007, the Joni and Friends International Disability Center was opened in Agoura Hills, California as the permanent headquarters. In the same year, the Christian Institute on Disability was established to aggressively promote a Christ-centered, Biblical approach that protects human dignity and the sanctity of all human life, no matter what the disabling condition.

JAF has several chapters located in the United States of America. These chapters are controlled by JAF, and consequently, the financial position and results of operations of all chapters are included in JAF's combined financial statements.

In addition, JAF has agreements with several charters outside the United States of America. These charters are not controlled by JAF, and consequently, the financial position and results of operations of these charters are not included in JAF's combined financial statements.

During the fiscal year ended December 31, 2014, the Joni and Friends Foundation (JAFF or the Foundation), a 501 (c) (3) supporting organization, was created with the sole purpose of supporting Joni and Friends, the parent organization. Contributions to the Foundation are exempt from federal income taxes under Section 170 (c)(2) of the Internal Revenue Code. JAFF was created to receive, manage, and distribute complex assets, manage the Joni and Friends endowment fund, and assume other actions assisting the work of Joni and Friends as are consistent with Joni and Friends' purposes. Joni and Friends has an economic interest in the Joni and Friends Foundation through endowment agreements created to ultimately benefit Joni and Friends and allow Joni and Friends to receive more complex gifts. Joni and Friends also has a controlling interest in the Joni and Friends Foundation as Joni and Friends controls the Foundation's board. As a result, the financial statements of Foundation have been combined with those of Joni and Friends.

JAF's primary source of income consists of contributions and gifts-in-kind.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

PRINCIPLES OF COMBINATION

The accompanying combined financial statements of Joni and Friends include the financial statements of Joni and Friends and the Joni and Friends Foundation. The combined financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. All material transactions and balances between JAF and JAFF have been eliminated in the combined financial statements. A summary of significant accounting policies followed are described below to enhance the usefulness of the combined financial statements to the reader.

CASH AND CASH EQUIVALENTS

For the combined statements of financial position and combined cash flow purposes, cash and cash equivalents include cash on hand, cash on deposit, and money market accounts. These accounts may, at times, exceed federally insured limits. JAF has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

INVENTORY

Inventory consists of two components: premium supplies and books for sale stated at the lower of cost or market, using the weighted average method; and wheelchairs stated at estimated fair market value on the date of the gift. Donated parts are valued at fair market value. Donated labor used in refurbishment is expensed at estimated fair value of donated labor.

TELEVISION PRODUCTION COSTS

Expenditures for television production costs include those costs that were incurred to produce the Joni and Friends television program. These costs are amortized over the estimated useful life which is three years and are reported net of accumulated amortization of \$967,652 and \$888,440, as of December 31, 2015 and 2014, respectively, on the combined statements of financial position.

INVESTMENTS

Investments in equity securities with readily determinable fair values are recorded at fair value with gains and losses reported in the combined statements of activities. Donated investments are recorded at fair value at the date of donation and are thereafter carried at fair value.

The organization's alternative investments include a 33% interest in real property (including timberland) and a 28.125% interest in a royalty stream. These investments are reported at estimated fair value as measured by the present value of the estimated future cash flow. The royalty stream is discounted using a rate of 20.4% (see note 4).

JONI AND FRIENDS

Notes to Combined Financial Statements

December 31, 2015 and 2014

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENTS, continued

Investments in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risks associated with certain investments, it is reasonably possible that changes in the value of those investments will occur in the near term and such changes could materially affect the amounts reported in the combined financial statements.

LAND, BUILDING, AND EQUIPMENT

Expenditures for land, building, and equipment greater than \$1,000 are capitalized at cost. Donated items are recorded at the fair market value on the date of the gift. Depreciation is computed on the straight line method over the estimated useful lives of the assets.

Estimated useful lives are:

Buildings and improvements	40 years
Furniture and equipment	3-7 years
Automobiles	5 years

CHARITY ADVISED FUNDS

During the year ended December 31, 2013, JAF opened a Charity Advised Fund with another foundation. The funds were under the advice of JAF's board of directors. At December 31, 2014, the charity advised funds were \$411,782 in cash and investments as well as other assets with an approximate fair market value of were \$2,733,865. During the year ended December 31, 2015, all the cash and investments held in the charity advised funds was transferred to JAFF.

NET ASSETS

The combined financial statements report amounts by class of net assets:

Unrestricted net assets are currently available at the discretion of the board for use in JAF's operations, and those resources invested in a board designated endowment fund, and property and equipment.

Temporarily restricted net assets are stipulated by donors for specific operating purposes or for long-term projects. As of December 31, 2015 and 2014, the temporarily restricted amounts consist primarily of the wheelchair ministry projects, area ministries, chapter ministries, and investment in real property and unappropriated endowment income.

Permanently restricted net assets are those which represent permanent endowments where it is stipulated by donors that the principal remain in perpetuity and only the income is available for unrestricted purposes when appropriated for expenditure.

JONI AND FRIENDS

Notes to Combined Financial Statements

December 31, 2015 and 2014

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

SUPPORT, REVENUE, AND EXPENSES

Contributions are recorded when cash or unconditional promises-to-give have been received or ownership of donated assets is transferred to the ministry. JAF records contributions as temporarily restricted if they are received with donor stipulations that limit their use through purpose and/or time restrictions. When donor restrictions expire, that is when the purpose restriction is fulfilled or the time restriction expires, the net assets are reclassified from temporarily restricted to unrestricted net assets and reported in the combined statements of activities as net assets released from restrictions. JAF receives non-cash gifts which are recorded as support at the estimated fair market value on the date of the gift.

Revenue is recorded when earned. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various program services and supporting activities have been summarized on a functional basis. Accordingly, certain costs, such as depreciation and payroll, have been allocated among the program and supporting activities.

ALLOCATION OF JOINT COSTS

All costs that contain any fundraising appeal are required to be allocated to fundraising unless all of the following three tests are met: purpose, audience, and content. Since all three tests were not met, all costs that contain a fundraising appeal have been allocated to fundraising for the years ended December 31, 2015 and 2014.

USE OF ESTIMATES

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the combined financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the combined statements of activities. As of December 31, 2015 and 2014, JAF had no uncertain tax positions that qualify for recognition or disclosure in the combined financial statements. JAF files information tax returns in the U.S. and various states. JAF is subject to income tax examinations for the current year and certain prior years based on applicable laws and regulations.

4. FAIR VALUE MEASUREMENTS:

JAF uses appropriate valuation techniques to determine fair value based on inputs available. When available, JAF measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Fair values of assets measured on a recurring basis on December 31, 2015 are as follows:

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

4. FAIR VALUE MEASUREMENTS, continued:

The fair value for mutual funds and money market funds, exchange traded funds, equities and fixed income are determined by reference to quoted market prices and other relevant information generated by market transactions.

The fair value of annuities is determined by an index crediting strategy that credits interest annually based on the percentage change of the S&P 500. The index credit percentage is guaranteed to never exceed an annual cap declared annually and will never be less than zero. The minimum guaranteed rate is 1% and the maximum rate is 3.4%

The fair value for the investment in oil and gas and the investment in real property is determined by the present value of the average cash flow from the three most recent years over the remaining statutory life of 15 years. The valuation is performed by an independent appraisal commissioned by JAF. A discount rate of 20.4% is applied which represents the IRS statutory depletion rate of 15% plus 5.4%.

5. LAND, BUILDING, AND EQUIPMENT:

Land, building, and equipment consist of:

	December 31,	
	2015	2014
Land	\$ 3,400,000	\$ 3,400,000
Building and improvements	9,026,560	9,026,560

Permanently restricted net assets are restricted to investment in perpetuity, the income from which is unrestricted. The endowment corpus for JAF operations invested in perpetuity was \$1,326,909 and \$894,145 for the years ended December 31, 2015 and 2014, respectively.

In 2013, JAF received a donation of \$500,000 to establish a permanently restricted endowment fund. The principal in the endowment is to remain in perpetuity with the income expendable for operational support. In 2015, the Joni and Friends Foundation became operational and the \$500,000 was transferred to the Foundation. In addition the \$809,302 endowment for operations was also transferred to the Foundation. See notes 9 and 10 for further instruction.

9. ENDOWMENTS:

In August 2008, the Financial Accounting Standards Board issued FASB Staff Position No. FAS 117-1 (now included in the FASB Accounting Standards Codification in sub-topic 958-205), *Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds* (FSP FAS 117-1). FSP FAS 117-1 provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). FSP FAS 117-1 also requires additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds) whether or not the organization is subject to UPMIFA.

The State of California enacted UPMIFA effective January 1, 2009, the provisions of which apply to endowment funds existing on or established after that date. JAF has adopted the net asset classification provisions of FSP FAS 117-1 for the year ending December 31, 2015. The Board has determined that JAF's permanently restricted net assets meet the definition of endowment funds under UPMIFA.

Joni and Friend's endowment includes both donor-restricted endowment funds established to fund ministry operations and funds designated by the board to function as endowments. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of JAF has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the JAF classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by SPMIFA.

9. ENDOWMENTS, continued:

In accordance with SPMIFA, JAF considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of JAF and the specific donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of JAF
- The investment policies of JAF

The following table presents the endowment composition and net asset classifications as of December 31, 2015.

RETURN OBJECTIVES AND RISK PARAMETERS

JAF, through the Foundation, has adopted investment and spending policies for donor-restricted endowment assets that attempt to provide funding for long-term needs in accordance with the Joni and Friends Foundation Investment Policy. Under these policies, the endowment assets are invested in a manner consistent with Christian principles and values, and consistent with the convictions of Joni and Friends. The primary goal is cash preservation, and the secondary goal is to achieve intermediate and long-term investment goals. The board's strategy is to minimize risk in the financial performance of the endowment fund.

FUNDS WITH DEFICIENCIES

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires JAF to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2015 and 2014.

STRATEGIES EMPLOYED FOR ACHIEVING OBJECTIVES

To satisfy its long-term rate-of-return objectives, JAF relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). JAF targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.
