

Joni on *Revive Our Hearts*
with Nancy Leigh DeMoss
April 23-27

“A Conversation with Joni”

Joni Eareckson Tada talks with Nancy about how God has used the trials related to forty years as a paraplegic to draw her into intimacy with Christ. She also shares how she has grown through her twenty-five-year marriage to Ken Tada, as well as a biblical perspective on bioethical issues such as stem cell research. *A moving conversation you won't want to miss!*
