Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						28
						<p>Today marks the beginning of our month-long prayer guide for the <i>Wheels for the World</i> outreach in El Salvador. As you begin praying for the outreach, pray that through our service many will come to know Christ and His great love for each of them.</p>
29	30					
<p>Pray for Kathy, Claudia, and Alicia who work so hard in preparing for the team and this outreach. As they prepare for our arrival, these ladies organize supplies, connect with wheelchair recipients and churches that are serving, and many other needs of the outreach.</p>	<p>This year's Scripture for Joni and Friends is John 14.6, "Jesus answered, 'I am the way and the truth and the life. No one comes to the Father except through me.'" Pray that our team will demonstrate and share the "One Way" with all those we come in contact with during this outreach.</p>					

# October 2019

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1 Pray that God will unify the team as the body of Christ. Pray that we may walk in the Spirit, serving in humility and grace as we share of God's love for all people.	2 The process of delivering wheelchairs occurs over many months. Pray that the wheelchairs and other supplies that have been sent will be just right for this outreach. Pray that every need will be met and all will see God's hand through the items provided.	3 As with all outreaches of Joni and Friends, we seek first to share the Gospel with those we serve. Pray for the Gospel message to be clearly shared throughout the outreach. Most importantly, pray that all who hear the Gospel will believe and receive Jesus Christ as their Savior and become disciples of Christ.	4 Local pastors will be sharing the Gospel with individuals after they receive a mobility device. Pray that they will strive to make sure each person who receives Christ as Savior is connected to a church home. Our desire is that His Word would be precious to them and that they would read it daily.	5 Language can become a barrier when serving internationally. Pray for the students who come to serve as interpreters. Pray that they will connect quickly with our team and be able to communicate effectively. Pray that our team might also be an example in the lives of these students.
6 Pray that the churches in El Salvador would desire to reach those affected by disabilities with the Gospel. Pray that more churches, businesses, and schools would be made accessible.	7 <i>Wheels for the World</i> is one of several outreaches we do in El Salvador. Pray for continued disability ministry growth. Pray for Claudia, our <i>International Family Retreat</i> Director, as she seeks to share about disability ministry in churches and through <i>Family Retreat</i> .	8 Pray for the therapists as they choose and fit the perfect mobility device for each person. Pray for God's wisdom and discernment to understand all of the needs of each person.	9 Pray for the mechanics as they make adjustments to mobility devices. Pray for clear communication between therapists and mechanics concerning the needs of each individual.	10 Pray for our support team: support volunteers create seat cushions, sew the fabric, gather stories from families, and capture moments through photography.	11 Pray for Claudia, Kathy, Joel, Alicia, and Bessy as they will be making last-minute adjustments and preparations for the outreach. Pray that everything is set and flowing smoothly according to God's plans. Pray for good health for everyone. Pray for final packing for the team as we prepare to fly out tomorrow.	12 Team members will be flying from across the U.S. and Canada. Pray for safe travels, connections are made, and the team arrives together with their luggage. We have our team orientation today to prepare for the week!

<p style="text-align: right;">13</p> <p>Worship the Lord in the beauties of holiness in all of the earth. Pray that God is exalted in every church on this Lord's day. Pray that people see and understand that all believers share the same family and love for one another.</p>	<p style="text-align: right;">14</p> <p>Today is the first day of serving on the outreach. Pray for the team as we begin serving in San Salvador. This is always a big day with a lot of work to do. Pray that the team has adapted to the hot weather and is well rested. Pray for the safety of the team as we will be working with many different tools throughout the week.</p>	<p style="text-align: right;">15</p> <p>Pray for God's blessing on the people at ISRI (Salvadoran Integral Rehabilitation Institute), our hosts, the workers with whom we will be co-laboring. May all those surrounding us and the people with whom we come in contact see Jesus in us.</p>	<p style="text-align: right;">16</p> <p>In El Salvador, we partner with local therapists and mechanics. Pray for the Salvadoran therapist and mechanics' training in proper wheelchair seating and fitting. Pray that many new therapists will come from all over El Salvador, receive these instructions, and put them into practice.</p>	<p style="text-align: right;">17</p> <p>Thank the Lord for the many prisoners around the United States who restore the chairs prior to the outreach. Pray also for the chair corps team who collects wheelchairs.</p>	<p style="text-align: right;">18</p> <p>This is our last day fitting wheelchairs. Pray that everyone has been wonderfully served, and they know it is God's desire to show them His love and compassion.</p>	<p style="text-align: right;">19</p> <p>Today is our Cultural Day. Pray for the team to rest and relax as they enjoy some of El Salvador's beauty and wonderful people.</p>
<p style="text-align: right;">20</p> <p>Today the team will fly home. Pray for safe travels and a smooth time through customs.</p>	<p style="text-align: right;">21</p> <p>The team is now home. Pray that each one would be mindful of all the Lord did and seek Him all the more. Pray that the adjustments to home and work go smoothly upon return. Pray their testimonies would inspire others to serve the Lord.</p>	<p style="text-align: right;">22</p> <p>Pray for all of the participants in the <i>Wheels for the World</i> outreach that they would realize what an awesome God we serve and would dedicate themselves to Him all the more. Pray for those who heard the Gospel and refused to accept the Lord. Pray that God would be merciful and provide them another opportunity to be saved. AMEN!</p>	<p style="text-align: right;">23</p> <p>On this final day of the prayer guide, ask God to continue to further the Gospel in El Salvador. Pray that the people He calls to serve would hear and quickly obey His call on their lives. Thank God for the vast number of relationships He has allowed and grown over the years in El Salvador.</p>	<p style="text-align: right;">24</p>	<p style="text-align: right;">25</p>	<p style="text-align: right;">26</p>
