
To leave a gift to Joni and Friends, please consider including this language in your estate plans.

Unrestricted Bequest

I give and devise [____ percent of my estate, or description of asset, or ____ dollars] to the Joni and Friends Foundation, a California nonprofit corporation, tax ID 30-0815226, located at 30009 Ladyface Court, Agoura Hills, CA 91301, to be used for its general operating support (or you may designate a specific ministry).

Restricted Bequest

I give and devise [____ percent of my estate, or ____ dollars, or description of asset] to the Joni and Friends Foundation, a California nonprofit corporation, tax ID 30-0815226, located at 30009 Ladyface Court, Agoura Hills, CA 91301, for the restricted purpose of _____. If, in the future, the Joni and Friends Foundation determines that the restriction placed herein would result in an impracticable use of the bequest, it may designate another purpose for its use that most nearly accomplishes my wishes.

Residual Bequest Language

After all your estate expenses and specific bequests have been distributed, the remaining or residual funds are given to Joni and Friends Foundation.

I give and devise to the Joni and Friends Foundation, a California nonprofit corporation, tax ID 30-0815226, located at 30009 Ladyface Court, Agoura Hills, CA 91301, [all or ____ percent] of the rest, residue and remainder of my estate, both real and personal, to be used for its general operating support (or you may designate a specific ministry).

Contingent Bequest Language

You may designate Joni and Friends as a contingent beneficiary if one or more of your specific bequest wishes cannot be fulfilled.

If [insert name] is not living at the time of my demise, I give and devise to the Joni and Friends Foundation, a California nonprofit corporation, tax ID 30-0815226, located at 30009 Ladyface Court, Agoura Hills, CA 91301, the sum of \$ _____ [or all or ____ percent of the residue of my estate] to be used for its general operating support (or you may designate a specific ministry).
