Prayer Requests December 12 – December 18

Sunday 12 Retreats and Getaways: Pray the 40 families attending this weekend’s Family Retreat in El Salvador experience God’s love in a life changing way, giving them hope and faith for managing the daily challenges of living with disability.

Monday 13 Joni and Friends Arizona: The Halftime Respite program offers hands-on, real-time training for church leaders and volunteers who want to begin respite programs in their own church. Pray more churches will participate and begin offering respite programs that meet the felt needs of families and open doors to sharing the message of Christ.

Tuesday 14 Joni and Friends New England: Pray that church disability ministry leaders from across New England feel appreciated, supported, and better equipped to serve individuals and families living with disability during today’s virtual church network meeting.

Wednesday 15 International Ministries: Pray for God’s protection and blessing on our disability ministry and church partners in India and Ukraine as they serve families living with disabilities in the face of political uncertainly and persecution.

Thursday 16 Teens and young adults transitioning from disability support services provided through public school programs to adult state disability services often face challenges getting their basic needs met. Pray these agencies can provide a more seamless and compassionate transition of services.

Friday 17 Metro Ministries: Please continue to pray for facilities to serve as centers for equipping churches and reaching the underserved and isolated individuals and families living with disabilities in the urban center of Nashville and East St. Louis, IL.

Saturday 18 Join us in thanking God for the generosity of the friends of Joni and Friends whose giving makes our ministry possible. Please pray for God to guide and bless those considering year-end gifts to fund disability training events and outreaches across the U.S. and around the world in 2022.
