Prayer Requests January 16 – January 22

**Sunday 16** [Retreats and Getaways](#): Registration for 2022 Family Retreats and Marriage and Warrior Getaways is open! Pray for God to call the families and volunteers that He wants to participate in these weeks of fun-filled activities, fellowship, and biblical encouragement.

**Monday 17** Joni and Friends Georgia: Praise God for a new local office opening in Atlanta. Pray for God to bless and multiply partnerships with local churches, like-minded Christian organizations, and disability service providers as they serve together toward a world where every person with a disability finds hope, dignity, and their place in the body of Christ.

**Tuesday 18** International Ministries: Ask God to confirm the arrangements for hiring the new Regional In-Country Coordinator for Nicaragua and open doors wide for growing relationships with churches and like-minded organizations for serving those living with disabilities.

**Wednesday 19** [Radio Ministry](#): Pray for Joni and the media team as they record several weeks of 4-minute and 1-minute radio programs today. May each word be anointed by God’s Spirit for bringing hope in hardship to the thousands who listen.

**Thursday 20** [Christian Institute on Disability](#): The Academic Engagement team is coordinating several new publishing and translation projects to better equip church leaders domestically and internationally to serve those living with disabilities. Pray these projects are completed efficiently and accurately.

**Friday 21** The COVID-19 pandemic has put extra stress and pressure on fulltime caregivers due to stay-at-home restrictions and very limited opportunities for respite. Pray for God’s grace, strength, and peace for caregivers desperate for relief from their 24/7 responsibilities.

**Saturday 22** [Joni’s House](#): Pray for God to bless and expedite the approval process for the construction plans for the new Joni’s House International Disability Center in Ukraine. When completed the Center will coordinate services to meet the spiritual, physical, social, and economic needs of people living with disabilities.
