Prayer Requests August 7 – August 13

Sunday 7 Family Retreats - This week we have retreats in Indiana, North Carolina, and Missouri, as well as an International Family Retreat in Poland. Pray for attendees to be refreshed and encouraged in their understanding of God’s love and goodness.

Monday 8 International Outreach – Our partner in India asks prayer regarding the severe flooding throughout the region. Three hospitals have been badly affected, preventing adequate care. Ask God to cause the waters to recede and adequate help to be brought in.

Tuesday 9 Joni and Friends Florida – We're hosting our second church network meeting in Orlando this month. Pray we can expand our church networks into Tampa, Miami, and Jacksonville. Ask God to use these network meetings to build up churches throughout Florida.

Wednesday 10 Levi, who received our 200,000th wheelchair through Wheels for the World, is facing some serious health concerns. His kidneys are functioning only at 5% and doctors recommend he start dialysis unless things improve significantly. Pray for him and his parents to know God’s comfort and wisdom as they consider the future.

Thursday 11 Accounting – We will be implementing new software to expedite processes and allow greater simplicity for the many departments and local offices of Joni and Friends. Pray for quick understanding and insight as we learn the new software and prepare for the transition.

Friday 12 Facilities and Logistics – We’re entering a busy season as orders of Joni’s newly released book, planners, and Christmas cards begin. Pray for efficiency in our processes and good health so that each order can be shipped on time.

Saturday 13 We are continuing to look for the right candidates for open positions across the organization. Ask God to bless our recruitment and hiring efforts and for him to bring the right individuals at just the right time.
